

EXTRAORDINARY LIVES CAST LIST

*******NOTE: This cast list is also a rough draft that is subject to change. With so many characters it was a nightmare to try to make sure you aren't playing two characters that are on at the same time or near the same time. Or who knows I might have casted two people as one character. There are 56 characters my friends. That's a lot. So please be patient as we work out the kinks. The first character listed for each of you is a guarantee. I think. The others are... flexible. :) All of you are cast as multiple characters with the exception of Jayden B, Forrest, and Sophie because their characters are literally onstage the entire time. Here we go!! :)**
