

Welcome

All

Welcome to our family time
Welcome to our brotherly time
We're happy giving and taking to the friends we're making
There's nothing we won't do

Welcome to our family time
Welcome to our happy to be time
This is our festival you, you know, and best of all
We're here to share it all

Solo 1

There's a bond between
Us nobody can explain

Solo 2

It's a celebration of life
And seeing friends again

Solo 3

I'd be there for you
I know you'd be there for me to

All

So come on!
Welcome to our family time
Welcome to our brotherly time
This is our festival, you know, and best of all
We're to share it all

Solo 4

Remembering loved ones departed
Someone dear to your heart

Solo 5

Finding love
Planning a future

Solo 6

Telling stories and laughing with friends
Precious moments you'll never forget

All

This has to be
The most beautiful
The most peaceful place
I've ever been to
It's nothing like
I've ever seen before
So come on!

Welcome to our family time
Welcome to our brotherly time
We're happy giving and taking to the friends we're making
There's nothing we won't do

Welcome to our family time
Welcome to our happy to be time
This is our festival you, you know, and best of all
We're here to share it
We're here to share it all
