TERK: Think positive!

You're

one of a kind
I can't explain it
Yet kind of cool in a

wonderful way
And though you're weird
You could make it

Piano/Vocal

Terk
Young Tarzan

"Tarzan"
And who better than me to teach you? Who better than me to set you on your way?

This could take some hanging in there. Though with persuasion I could take you on up. Make you groove up beside the others.

TERK, YOUNG TARZAN: Pendulated!

(YOUNG TARZAN)
Struggling alone for years and years

(TERK)
Struggling alone for years and years Until I came along for you
And together we'll see it through

Now it's all coming together And together we'll see this through

You for me n' me for you

You for me n' me for you

(YOUNG TARZAN)

I can learn I can listen I know there's something
deep inside, but I need assistance. To go the distance.
